Dear GC3,

Thanks for your August ninth presentation. It was informative in general, but I would like to see a comprehensive presentation on the CES by the GC3, as a whole, i.e. from non DEEP participants-even though the GC3 is administered by DEEP. There may be, otherwise, an 'inadvertent 'self dealing' in dealing with the critical CES. I understand that the 8/9 report was provisional, along with the CES, but it can set the M.O. can be set if not questioned at this point. (The discussion was good but is proscribed by the initial presentation.)

Best,
