SECTION 27 OF PUBLIC ACT NO. 14-98 OF THE GENERAL ASSEMBLY OF THE STATE OF CONNECTICUT, FEBRUARY 2014 SESSION, AS AMENDED, (AN ACT AUTHORIZING AND ADJUSTING BONDS OF THE STATE FOR CAPITAL IMPROVEMENTS, TRANSPORTATION AND OTHER PURPOSES, AND CONCERNING MISCELLANEOUS PROGRAMS, INCLUDING THE SMART START PROGRAM, THE WATER IMPROVEMENT SYSTEM PROGRAM, SCHOOL SECURITY GRANTS, THE REGENERATIVE MEDICINE RESEARCH FUND, THE CONNECTICUT MANUFACTURING INNOVATION FUND AND THE BOARD OF REGENTS FOR HIGHER EDUCATION INFRASTRUCTURE ACT)

Section 27 of Public Act 14-98 added a new section (z) to Connecticut General Statute 3-20, State General Obligation Procedure Act. The new section provides that upon the request of a recipient of a grant for a project funded by general obligation bonds, subject to the approval of the State Bond Commission and the Treasurer, that the grant may be made to a qualified community development entity or to a partnership, limited partnership, limited liability company or other business entity provided that substantially all of the grant proceeds are made available to the grant recipient to finance the project funded by the grant. A qualified community development entity means an entity certified as such pursuant to Section 45D(c)(1) of the Internal Revenue Code of 1986 (the "Code") that has received an allocation of new markets tax credits pursuant to Section 45D of the Code available for qualified low-income community investments in the State under Section 45D(f)(2) of the Code. By directly or indirectly funding the qualified community development entity, the grant can support the issuance of federal new markets tax credits to provide additional funding of the subject project. On October 28, 2011, the Bond Commission, at the request of the Department of Public Health, approved a grant-in-aid in the amount of \$4,000,000 to the Connecticut Institute For Communities, Inc. to assist with the construction of a new community health center in Danbury. Connecticut Institute For Communities, Inc. has requested pursuant to the Section 27 of Public Act 14-98 that the grant proceeds be made available to it, or an affiliate, to make a loan to an investment fund which shall use such proceeds to fund one or more qualified community development entities which in turn will make available to the Connecticut Institute For Communities, Inc., or an affiliate, substantially of all of the grant proceeds to fund the Project. The transfer of grant proceeds to the investment fund prior to their transfer to the qualified community development entities is required by the federal rules governing new markets tax credits to maximize the funding ultimately available to the Project. Administration of the Grant as modified pursuant to Section 27 of Public Act 14-98 will be the responsibility of the Department of Economic and Community Development.

After review and discussion, the State Bond Commission approved the request of the Grantee that the grant proceeds in the amount of \$4,000,000 (the "Grant") to assist in construction of the Project be made available to directly or indirectly fund an investment fund which will invest such proceeds in one or more qualified community development entities which will make such proceeds available to the Grantee or an affiliate of the Grantee to finance the Project, pursuant to Section 27 of Public Act 14-98 and approved the direct or indirect transfer of the proceeds of the Grant to one or more qualified community development entities in the manner described above.
